

YOUTH.

She had the fluttering eyelids
Like petals of a rose;
I had the wisdom never learned
From any musty prose.

She had the melting ardor
That hesitates yet dares;
And I had youthful valor's look
That is so like despair's.

She had the tender hearing
Of daffodils in spring,
And I had sense enough to know
Love is a fleeting thing.

She had the heart of tender,
I had the lips of flame;
And neither of us ever heard
Procrastination's name.

She had the soft demeanor
Discreet as any nun's;
And each of us had all the joy
God gives his foolish ones.

JOHN BRADY

Police Court Capital Prize Winner
—a Summer Job on the
Rock Pile

John Brady, who is not a stranger in Police Court circles, was arrested and tried before Judge Whitaker March 5th on a breach of peace warrant and fined \$14, and in default was committed to work it out.

The following day, while in charge of Guard John Gerlin, employed on the streets, he made his escape and for a time eluded the officers.

Several days ago he was re-arrested, and this time taken before Squire J. O. Pickrell, who apparently hasn't any great love for malefactors, and in this particular instance the Magistrate had dug up an ancient law that he thought fitted John's case, whereby he was empowered to assess a fine ten times in excess of the amount of the original one. Anyhow, the Squire socked it to him to the tune of \$145, and let it go at that.

Brady didn't happen to have the ready cash about his clothes to liquidate, and in consequence was ticketed for the County Jail and rock pile for 145 days.

To this procedure he demurred and employed a lawyer to test the legality of the Court's judgment.

The cause came up on its merits in the Cir-

cuit Court yesterday, and after hearing the lease Judge Harbeson upheld the decision delivered in the Magisterial Court.

So, back to the Jail and rock pile for Brady.

REVIVAL SERVICES

Rev. P. A. Cave's Successful Meeting at Nashville, Tenn.

Nashville American.

The services at the Woodland Street Christian Church have grown in interest and will be continued. There will be baptizing at the close of the service tonight. The sermon Wednesday night was on the theme, "The Christian's Inheritance." The speaker said in part:

"The dead can inherit nothing. The stroke that separates the soul from the body parts us from all our earthly possessions. Likewise the soul dead in trespasses and sins can inherit no spiritual good. Only those who are born again and had been adopted into the family of God become heirs to an inheritance," etc.

THE COME AND SEE SIGN

This sign is permanently attached to the front of the main building of the Lydia E. Pinkham Medicine Company, Lynn, Mass.

What Does This Sign Mean? It means that public inspection of the Laboratory and methods of doing business is honestly desired. It means that there is nothing about the business which is not "open and above-board."

It means that a permanent invitation is extended to anyone to come and verify any and all statements made in the advertisements of Lydia E. Pinkham's Vegetable Compound. Is it a purely vegetable compound made from roots and herbs—without drugs?

Come and See. Do the women of America continually use as much of it as we are told? Come and See.

Was there ever such a person as Lydia E. Pinkham, and is there any Mrs. Pinkham now to whom sick women are asked to write? Come and See.

Is the vast private correspondence with sick women conducted by women only, and are the letters kept strictly confidential? Come and See.

Have they really got letters from over one million, one hundred thousand women correspondents? Come and See.

Have they proof that Lydia E. Pinkham's Vegetable Compound has cured thousands of these women? Come and See.

This advertisement is only for doubters. The great army of women who know from their own personal experience that no medicine in the world equals Lydia E. Pinkham's Vegetable Compound for female ills will still go on using and being benefited by it; but the poor doubting, suffering woman must, for her own sake, be taught confidence, for she also might just as well regain her health.

CHARITY WARD

Ladies of the City Have Taken This
Matter in Hand

The ladies of Maysville have organized a League whose mission and aim is the establishment of a "Charity Ward" in Haywood Hospital.

At a recent meeting of the members of the League held in the Public Library, the following officers were chosen—

President—Mrs. John M. Hunt.
Secretary—Mrs. William H. Cox.
Treasurer—Mrs. J. N. Keboe.

The organization is as yet in its swaddling clothes, and nothing has been given out for publication, but it is understood at the proper time the city and county will be called upon to aid the worthy cause in a financial way.

The hospital, now growing in usefulness and popularity, would not be complete without providing something of the kind for the indigent, and that it will meet with general approval is beyond the shadow of a doubt.

We understand the movement has the sanction of the Directors Board of the Hospital and here's hoping the ladies will succeed in their laudable undertaking.

The meetings of the League hereafter will be held in the Library room at Haywood Hospital.

BLACK HAND

Kentucky Courts Disapprove of the
Gang in This State

One member of the "Black Hand" band,
which has operated extensively in New York
and the East, and which is a powerful organiza-
tion in Greece and Italy, is soon to be an oc-
cupant of the State Penitentiary at Frankfort.

The case of Demetri Nioum, a Greek, con-
victed of shooting a fellow-workman named
James near this city a year or so since and
sentenced to three years in the Penitentiary
by the Mason Circuit Court, was sustained
Thursday in an opinion handed down by the
Court of Appeals, Judge Settle writing.

It was shown at the trial of Nioum that he
was a member of the "Black Hand" Society
and that this was the motive for the shooting.
Nioum was represented by the late Virgil Mc-
Knight, who, just before his death, argued the
case for his client.

Nioum and James, the man who was shot,
were cousins, and came to this country from
Bulgaria. They were both employed at Shana-
han's camp on the C. and O. just below this
city.

No motive was given for the shooting during
the examining trial and it was not until a letter
that had been written to two Greeks, Kaso
and Nickles, who live in Cincinnati, was in-
troduced as testimony disclosed the plot in which
Nioum briefly wrote that he would take James's
life.

The defense of Nioum was that he was
crazy drunk at the time of the shooting and
was unconscious of the act. The Court re-
fused to consider this as a defense, for it was
not proven that he was drunk at the time of
the shooting.

The trial resulted in Nioum's conviction and
his sentence of three years in the Penitentiary.
A new trial was asked on the grounds that the
verdict was the result of passion and prejudice
against the foreigner and that the interpreta-
tions of the Bulgarian Greek who served during
the trial were not fair.

The Appellate Court holds that there is
nothing in the record to substantiate either of
the charges and therefore deals the Black Hand
system a severe blow by affirming the judgment
of the Mason Circuit Court.

The Aldrich currency bill passed the Senate
by a vote of 4 to 16.

PARDON FOR POWERS

Governor Cox Will Be Urged to
Issue the Paper Next Week.

A special from Frankfort says that it is
rumored that a determined effort will be made
to have Lieutenant Governor Cox pardon
Caleb Powers while Governor Willson is out of
the State.

It is understood that strong pressure will
be brought to bear on the acting Governor to
have him issue the pardon which is so ear-
nestly desired, but it is understood that Gov-
ernor Cox will not act on the case.

Beware of the Physic You Take!

A physic often does more harm than good. It is
not so much the physic, though, as it is the class of
physic you take.

Most preparations sold as laxatives and cathartics
are dangerous. They do accomplish what they are ad-
vertised to do—move the bowels—but they entirely
upset the stomach, and often produce complications.
These preparations in the form of tablets and pills,
usually gripe, cause nausea, and once you begin
taking them a dangerous "physic habit" is formed.
The bowels soon become unable to perform their
functions without the unnatural aid of the "tablet,"
just like some people find it impossible to sleep
without taking "sleeping powders."

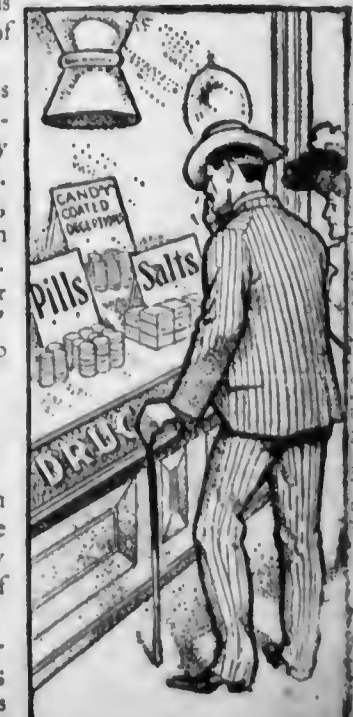

A safe remedy for all stomach disorders is

Dr. Caldwell's Syrup Pepsin

It never creates a "habit." It does not operate on
the stomach and bowels as most remedies do. The
pepsin contained in it is a great digester. It quickly
relieves the distress of indigestion, without any of
the dangers which come with the use of soda.

As a laxative it produces quick and pleasant re-
sults. No stomach is too weak to be benefited by it;
no condition is beyond its power to cure. All druggists
sell Dr. Caldwell's Syrup Pepsin at 50c and \$1.00.

Your money back if it doesn't benefit you.

COMMONWEALTH'S

Attorney of Marshall County Issues an Ultimatum to the Night Riders—Declares He is Ready to Fight

PADUCAH, Ky., March 27th.—A prominent official of Marshall county is authority for the statement that Commonwealth's Attorney John G. Lovett of Benton has issued in person an ultimatum to the alleged leader of the night riders of the Birmingham district that if his property is burned or he is attacked, that the night riders had better kill him, for in case of attack he would kill the leader on sight. He is said to have told the leader that the law might not reach him, but he would take the law into his own hands.

A Law and Order League has been organized at Benton, with the County School Superintendent as President. The League has fifty members and they are prepared for a visit from night riders. Benton is reported quiet today. The Grand Jury is quietly investigating the Birmingham raid. But few people are in town.

The gage marks 31.3 and falling.

NATURE TELLS YOU.

As Many a Maysville Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney illa. Doan's Kidney Pills cure all kidney illa. John G. Morris, Jail Keeper, living on Main street, Flemingsburg, Ky., says:

"I can recommend Doan's Kidney Pills as being all that is claimed for them. Several months ago I was suffering severely from kidney disorders, and although I tried many remedies, I was unable to obtain relief. My kidneys were very weak and irregular in action, causing me much inconvenience and annoyance. I lost a great deal of sleep on this account. Finally Doan's Kidney Pills were recommended to me. I procured a box at J. Jas. Wood & Son's Drugstore and began using them. I was surprised at the quick results, as the trouble entirely disappeared and I have had no return of any of the symptoms since. I cannot speak too highly of Doan's Kidney Pills."

What is medicine for? To cure you, if sick, you say. But one medicine will not cure every kind of sickness, because different medicines act on different parts of the body. One medicine goes to the liver, another to the spine, Wine of Cardui to the womanly organs. So that is why

Wine of Cardui

has proven so efficacious in most cases of womanly disease. Try it.

Mrs. Wm. Turner, of Bartonville, Ill., writes: "I suffered for years with female diseases, and doctored without relief. My back and head would hurt me, and I suffered agony with bearing-down pains. At last I took Wine of Cardui and now I am in good health." Sold everywhere, in \$1.00 bottles.
